

Young and Associates named to 'Best Law Firms' list

Farmington Hills, Mich.-based Young & Associates, a boutique law firm specializing in complex business litigation, has been named to 2015 "Best Law Firms" list by the U.S. News & World Report and Best Lawyers.

Firms included in the 2015 "Best Law Firms" list are recognized for professional excellence with persistently impressive ratings from clients and peers. The ranking honors firms that combine quality law practice and breadth of legal expertise. Awards were given in 74 national practice areas and 120 metropolitan practice areas.

"The entire staff of Young & Associates is proud to be included in this year's Best Law Firms list," said firm founder Rodger Young. "We are a lean yet powerful firm focused on providing the highest quality legal expertise and trial success to our clients, and are honored to see our efforts ranked among the finest law firms in the country."

The 2015 rankings are particularly significant because more law firms across the country participated and more client ballots were counted than ever before. To be eligible for a ranking, a firm must have a lawyer listed in The Best Lawyers in America, which recognizes the top four percent of practicing attorneys in the US. 600,000 law firm assessments, and almost 7,500 clients provided more than 40,000 evaluations.

This is not the only recent major accolade for Young & Associates. All six of the firm's attorneys – Rodger D. Young, J. David Garcia, Jason D. Killips, Sara K. MacWilliams, Terry Milne Osgood, and Jaye Quadrozzi – were named 2014 Super Lawyers. The Super Lawyers selection process is multi-phased, which includes peer nominations and evaluations combined with third-party research. Young & Associates Founder Rodger D. Young achieved the Super Lawyer designation for the eighth consecutive year.
